

TCI INSTITUTIONAL LEADS NETWORK GROUP : LONDON REGION

- Meet informally once every term
- Rotate the venue round the member institutions
- Host institution sets agenda and takes the minutes
- Meeting will take place in Central London

Technician **Commitment**

Current TCI London regional members

Imperial College
London

ICR The Institute of
Cancer Research

REASONS FOR THE FORMATION OF THE NETWORK

- **VISIBILITY** Share ideas & best practice , including exchange visits
- **RECOGNITION** Share knowledge in supporting technicians to gain recognition through professional registration and external awards schemes – feeding back to the Science Council
- **CAREER DEVELOPMENT** Share ideas & opportunities for technicians, understanding how other institutions measure & capture this
- **SUSTAINABILITY** Share experiences

AGENDA ITEMS HAVE INCLUDED

- Professional Registration through the Science Council
- Up and coming CPD events and Conferences
- Sharing Resources
- Apprenticeships and T Levels
- Exchange visits and sharing training sessions
